AAC Modeling: Bathtime!

Comment!
- YOU DIRTY!
- SMELLY FEET!
- WATER COLD
- IT HOT
- HURT EYES
- FUN!
- OH NO!
- I WET
- YOU SILLY
- YOU CLEAN
- NOT SMELLY

Talk About Your Process!
- TURN ON
- GET IN
- WATER OFF
- WASH HAIR
- WASH FEET
- YOU HELP
- I DO IT
- YOU ALL DONE
- GET OUT
- TAKE TOWEL

Ask Questions!
- YOU READY?
- WHAT WASH?
- WHEN LAST?
- WHERE SOAP?
- WHY SPLASH?
- WHAT NEXT?

Bathtime is a great time to model AAC. Make it silly. Make it fun! Be sure to have a waterproof option as a part of your learner's AAC system.

Ask for Things!
- NEED TOWEL
- WANT TOYS
- BUBBLE BATH
- DO MORE
- WANT PLAY
- MORE WATER
- GIVE ME IT
- SHOWER ON

A light tech communication board is great for the bath! Print or screenshot a copy of your bath page. Just make sure that page includes a way to ask for the full AAC system!

AAC Modeling: Bathtime!

For some AAC learners, bath time (and the water play that comes with it) is a highlight of the day. There's so much to talk about! Use a waterproof AAC support to talk about it! Don't have one? Print or screenshot a copy of your AAC learner's bath page. Laminate or print on waterproof paper. Have fun!
